

DRILLINSURE

Specialist insurance cover for drilling contractors

Each highly specialised industry has its own unique risks and its operators need highly specialised insurance products. That's why our new insurance product 'Drillinsure' is directed towards the specific needs of Drilling Contractors.

We cover a broad range of services including bore hole drilling, directional drilling, and many other drilling and associated activities. Our public and employees liability cover includes high limit of Indemnity, professional indemnity, no depth limit, and railside cover as standard. Abandonment cover is also available.

XL Insurance

XL Insurance is a leading global provider of insurance and risk engineering services, and has a reputation for handling complex risks. Coverage is provided via Syndicate 1209 at Lloyd's of London.

XL INSURANCE

XL Insurance is the global brand used by XL Group plc's insurance company subsidiaries.

OAMPS Petrochemical is part of the OAMPS UK Group, a Wesfarmers Company who employs over 230,000 people worldwide.

The OAMPS UK Group provides both UK and international businesses and individuals with a broad range of general and specialist insurance solutions as well as associated environmental and health and safety services.

We fit insurance to your business rather than trying to fit your business to an insurance product. Every business is unique. At OAMPS, we make it our business to understand yours.

We pride ourselves on our swift, professional and cost-effective approach.
