The Helpline is offered by ARAG who are specialists in legal expenses insurance and products nationally and within Europe. Experienced advisers can provide both business members and individual professionals advice on any matter falling under the laws of the current EU.

LEGAL ADVICE

They are here to help explain any complex legal matters in everyday language and have specialist knowledge in the areas of employment, regulatory matters, personal injury, medical negligence, property, contract disputes and consumer law to name but a few.

Advice about the law in England and Wales is available 24 hours a day 7 days a week. Legal advice for other countries is available 9am – 5pm Monday to Friday, excluding public and bank holidays. Members calling outside of these times will get a call-back.
